EDITION JANUARY 2010 – SIMONA OASIS & SPA

NEW

BEST PRIVATE SANCTUARY FOR FAMILY AND FRIENDS
Villa Simona Oasis & Spa, Bali

In Bali, the sense of the spiritual world is part of the air you breathe. And in the lush paddy-strewn and temple-studded area of Canggu, on the confluence of two rivers, there is a magical new five-bedroom hideaway, far from the tourist masses, which you can rent in its entirety, guaranteeing complete privacy. With the luxury of 17 staff to ensure everything runs like clockwork, you'll also have access at any time of day or night to your own private spa, with three therapists on standby. Chefs are available to create wonderful detox menus, and there's a yoga instructor for daily morning and evening sessions to suit your whim. There are bikes for exploring the enchanting landscape, and a peaceful swimming pool in the secluded garden, which is presided over by giant Bodhis, and lit by candles and lanterns at night.

Villa Simona Oasis & Spa (+62 361 730 666; www.simona-oasis.com), from about £600 a night B&BB (sleeps 10).
